

National Conference on Advances in CLINICAL DIAGNOSTICS & TRANSLATIONAL MEDICINE

FEBRUARY 3-5, 2026

Where Academia Meets Clinics and Industry to Transform Healthcare

A three-day event dedicated to bridging the gap between laboratory research and clinical applications in healthcare. The conference will serve as a vibrant platform for clinicians, researchers, academicians, industry leaders, and students to exchange knowledge on the latest developments in diagnostic sciences and translational medicine. In addition to keynote lectures by eminent experts, the conference will feature interactive panel discussions, scientific paper presentations, and poster sessions. We aim to foster critical dialogue, promote interdisciplinary collaborations, and inspire innovative solutions to diagnostic and therapeutic challenges.

THEMES

- Academia–Industry Collaborations
- Imaging and Radiological Sciences
- Public Health, Clinical Ethics & Policy
- Emerging Trends in Clinical Diagnostics
- Cardiovascular and Neurological disorder
- Point-of-Care and Rapid Diagnostic Devices
- Biomedical Devices & Healthcare Technology
- Molecular Diagnostics for Infectious Diseases
- Future Directions in Global Health Diagnostics
- Immunodiagnostics and Serological Advances
- Biomarker Discovery and Molecular Diagnostics
- Translational Medicine – Bridging Bench to Bedside
- AI and Machine Learning in Diagnostic Decision Support
- Genomics, Proteomics, and Metabolomics in Clinical Practice
- Quality Assurance and Accreditation in Clinical Laboratories

ABSTRACT SUBMISSION

Last Date: 15-01-2026

There will be provisions for poster and oral presentations during the conference. A dedicated Short Talk Session for Young Scientists will also be available to encourage early-career researchers to showcase their work.

Participants are requested to prepare their abstracts as per the template provided on the conference website and select their preferred mode of presentation at the time of submission.

All accepted abstracts will be published as a hard-copy Souvenir of the conference.
